Sub: Commissioning of 69.51 MWp Solar Projects – Operational Update
Ref: Regulation 30 and other applicable regulations of SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that Bondada Engineering Limited has successfully commissioned **69.51 MWp of solar power projects** executed for **Paradigm IT, MAHAGENCO, and NLC India Limited**, spanning multiple locations across **Hingoli, Achalpur, Bhusawal, and Vajiapur in Maharashtra**, as well as **Neyveli in Tamil Nadu** during **January 2026**.

This achievement marks a significant operational milestone and underscores the Company's continued contribution to India's National Renewable Energy Mission. The successful and timely commissioning further reinforces Bondada Engineering Limited's position as a reliable and scalable EPC partner in the renewable energy sector, with proven capabilities in executing large-scale projects across diverse geographies.

The projects were delivered through disciplined execution, strong technical expertise, and strict adherence to quality and safety standards, ensuring seamless handover and alignment with client expectations.

Going forward, Bondada Engineering Limited remains focused on expanding its renewable energy portfolio through consistent execution, robust governance, and operational excellence, while driving sustainable growth and long-term value creation for its stakeholders.

We request you to kindly take the above information on record.

Thanking you,

Yours faithfully,
For **Bondada Engineering Limited**
