ALBERT EINSTEIN

Creativity is intelligence and having fun.

EDITOR'S NOTE

Welcome to this special edition—celebrating Bondada Group's journey of innovation, growth, and shared ambition. This edition captures key milestones, bold expansions, and the collaborative spirit that drives us forward. At Bondada, progress means more than numbers—it's about ideas sparked, barriers broken, and lives uplifted. As we continue to lead with purpose and agility, may this edition reflect who we are and the future we're building—together. Here's to growing stronger, innovating smarter, and leading with impact.

— **Karun Kumar Yedida**

Happy reading!

The 7th Volume By The Editor. May, 2025

CFO DESK

Shri Satyanarayana Baratam

Director & CFO

Great companies are built on great financial foundations.

FY 2024–25 marked a pivotal chapter in Bondada Group's financial journey, driven by sharp growth, strategic discipline, and focused execution. Revenue nearly doubled from ₹801 crore to ₹1,571 crore, reflecting a 96% year-on-year increase, while profit surged 150% from ₹46 crore to ₹115 crore—firmly positioning us among India's fastest-growing EPC companies. Our net worth now stands at ₹477 crore, underscoring our commitment to value creation and fiscal prudence.

Our strengthened financial ecosystem, supported by enhanced working capital facilities from SBI and Bank of Baroda, equips us to execute an expanding project pipeline in FY 2025–26. These are not just credit lines—they're enablers of scalable, agile growth.

With a ₹5,044 crore order book as of March 31, 2025, our diverse portfolio—spanning renewable energy, telecom, railways, and manufacturing—aligns seamlessly with national development priorities. The rollout of the Odoo ERP system on April 1, 2025, marks a leap in financial transparency and operational agility, enabling real-time, data-driven governance.

Our goal to become a \$1 billion company by FY 2030 is grounded in disciplined capital use, innovation, and long-term stakeholder value. We move forward with unity, integrity, and purpose.

Chairman Desk

Dr. Bondada Raghavendra Rao
Chairman & Managing Director

Success is not just about making money. It's about making a difference.

Since our inception in 2012 with a modest revenue of ₹7 crore, Bondada Engineering Limited (BEL) has grown into one of Bharat's leading EPC players, with a strong presence in Telecom, Renewable Energy, and now Indian Railways. Today, with revenue reaching ₹1,571 crore, our growth is a testament to innovation, integrity, and purpose-led execution.

FY 2024-25 marked a pivotal year. We entered Indian Railways through Kavach Projects, executed our first international EPC contract—a \$2.7 million order from GameChange Solar, USA—and saw our subsidiary Bondada E&E secure a ₹108 crore

order from BREDA. We also signed MoUs with the Governments of Assam and Andhra Pradesh for Solar IPP projects and booked over 2 GW in new orders, advancing our 10 GW Clean Energy Mission. Notably, we emerged as the LI bidder for TSGENCO's Battery Energy Storage System project in Telangana.

Reinforcing our people-first approach, Bondada Engineering Limited was proudly certified as a Great Place to Work® in the Mid-Size Organizations category—an honor reflecting our inclusive, empowering culture.

As we scale new horizons, our commitment to operational excellence, ethical leadership, and sustainable development remains unwavering. Together—with our clients, partners, employees, and stakeholders—we're not just building infrastructure, but shaping a greener, more connected future.

We move forward with clarity, courage, and collective ambition—striving, scaling, and shaping the future, together.

Bondada Group scaled new heights this year, marking a period of strategic growth and purpose.

Marking

13 Years of Leadership and Legacy

Leadership in Action

With 25+ years of global experience, Mr. Rajesh Kumar Palepu leads Quality & Safety at Bondada Group. His career spans GE, Rolls-Royce, and JPMorgan across Power, Renewable Energy, Aerospace, and Banking Infrastructure. He holds a Master's in Mechanical Engineering from IISc Bangalore and is a certified Six Sigma Master Black Belt and AS9100 Lead Auditor.

At Bondada, he drives quality and safety excellence across solar, telecom, and infrastructure, embedding Lean and Six Sigma practices to boost efficiency. He has led global diversity programs and talent development initiatives with measurable impact.

Mr. Palepu has worked with teams across the UK, USA, Europe, Middle East, and Asia. His strategic mindset and people-first leadership continue to support Bondada's Vision 2030, strengthening systems and ensuring project excellence.

Mr. Rajesh Kumar Palepu
Vice President (Quality & Safety)

Mr. K.N. Kumar, retired IAS officer, serves as Independent Director at Bondada Engineering Limited. He chairs the Nomination and Remuneration Committee and serves on the Audit and CSR Committees, offering strategic direction and governance insight.

His career includes key roles such as Agricultural Production Commissioner (Meghalaya) and Chief Executive of the National Fisheries Development Board. He played a key role in national skill development and youth programs.

As Chairman of the Meghalaya Farmers' Commission, he advanced rural transformation and farmer welfare. At NIRD, he mentored 1,500+ civil servants and introduced key academic programs.

Recipient of the G-Files Exceptional Contribution Award (2017), Mr. Kumar brings deep expertise in governance, policy, and sustainability—enhancing Bondada's mission of nation-building and long-term growth.

Mr. K.N. Kumar
Independent Director (Retd. IAS)

SUCCESS

SUCCESS

SUCCESS

Dr. Bondada Raghavendra Rao

Chairman & Managing Director

"True success lies in the ability to grow consistently while remaining rooted in purpose. Growth is never accidental—it stems from disciplined vision, focused execution, and a steadfast commitment to creating value where it matters most. As we continue to expand across industries and geographies, we stay grounded in the principles that have defined our journey since 2012: innovation, integrity, and impact."

ACHIEVEMENTS & MILESTONES

01-11-2024

25-01-2025

Piling works for the 67.5 MW Solar Project at Mandamarri, Telangana, have officially commenced. The Hon'ble CMD of Bondada Group, Shri Dr. Bondada Raghavendra Rao Garu, along with Singareni officials, led the groundbreaking ceremony. This milestone marks a significant step in our commitment to renewable energy, as our dedicated solar team works towards powering a greener, more sustainable Bharat.

11-02-2025

The Rise of Bondada Group: A Milestone Entry into Its Third Business Segment with a ₹228.17 Crore Landmark Contract from Indian Railways

The rapid rise of Bondada is exemplified by its expansion into a third business segment, marked by its first-ever order from Indian Railways

Bondada Engineering Limited (BEL) has received a Letter of Acceptance from Indian Railways for the supply, installation, testing, and commissioning of towers for the Kavacha Infra & 4GLTER project. This ₹228.17 crore contract, scheduled for completion within 24 months, marks a significant milestone, reinforcing Bondada's growing influence in Bharat's infrastructure sector.

This project highlights Bondada's swift growth in railway infrastructure. As Indian Railways advances its commitment to safety and modernization, Bondada is at the forefront, delivering cutting-edge solutions.

With expertise in manufacturing, installation, surveying, design, and execution, Bondada solidifies its role in large-scale railway projects, strengthening its position in railway modernization and infrastructure excellence.

As Bharat moves toward Viksit Bharat, Bondada is proud to contribute to the nation's progress by building critical infrastructure. With every milestone, Bondada continues shaping the future of Bharat's railway and infrastructure landscape.

14-02-2025

Project Milestone Achievement!

Bondada Group is pleased to announce the inauguration of its Project Site Office at Khavda, Gujarat, by our esteemed CMD, Shri Dr. Bondada Raghavendra Rao Garu, alongside NLC India Limited (NLCIL) officials. This marks a significant advancement in our commitment to delivering high-impact infrastructure and renewable energy solutions.

Project Capacity: 600MW
Current Phase: BOS (Balance of System)
Works Initiated

During the visit, impactful discussions with the client reinforced a shared vision for sustainable infrastructure, operational excellence, and seamless execution. CMD also engaged with Team Bondada, inspiring them to drive innovation, efficiency, and project success.

This milestone reaffirms our dedication to large-scale renewable energy projects, pioneering innovation, and shaping a sustainable future.

25-02-2025

BondadaGroup Joins Advantage Assam 2.0 with ₹450 Cr Investment!

Bondada Group is proud to announce a significant step towards Assam's growth and development! Our CFO, Shri Satyanarayana Baratam Garu and Mr. Maradana Praveen Kumar Naidu, Business Development Head had the honor of meeting Hon'ble Chief Minister of Assam, Shri Dr. Himanta Biswa Sarma Ji in Guwahati for the exchange of a landmark MoU under Advantage Assam 2.0, committing a ₹450 Cr investment in the state.

Investment Proposal: Establishing a 100MW Solar Project in Assam to boost clean energy, drive economic growth, create jobs, and advance technology—reinforcing the state's commitment to sustainability.

We extend our heartfelt gratitude to the Government Of Assam, Bharat for fostering a business-friendly ecosystem and look forward to being a key partner in the state's green energy revolution.

Together, we power Assam's sustainable future!

20-03-2025

Bondada Group proudly celebrates the successful airing of its 400th site in the BSNL 4G Saturation Project for the Karnataka Circle! This remarkable milestone is a testament to our unwavering commitment, technical excellence, and relentless dedication of our team.

As part of Hon'ble Prime Minister's vision to bridge the digital divide, this project is playing a crucial role in providing seamless 4g Connectivity to unconnected and remote villages across Bharat. Bondada Group is honored to contribute to this nation building initiative, delivering robust and efficient telecom infrastructure, ensuring last-mile connectivity for all.

Bondada Group extend heartfelt congratulations to Y. S. Surya Murthy, Venkata Subba Rao Nagineni, Sugunthan Selvarasu, Raja Reddy Mekala, Vidya Sagar, and BSNL 4G Team and express gratitude for their continuous support and collaboration in making this vision a reality.

27-03-2025

CMD live on Zee Business 'Corporate Radar'—shared growth plans.

CELEBRATING DR. BR RAO'S GOLDEN JUBILEE 50 YEARS OF INSPIRATION

BONDADA GROUP SECURES THE TRUST OF FINANCIAL TITANS

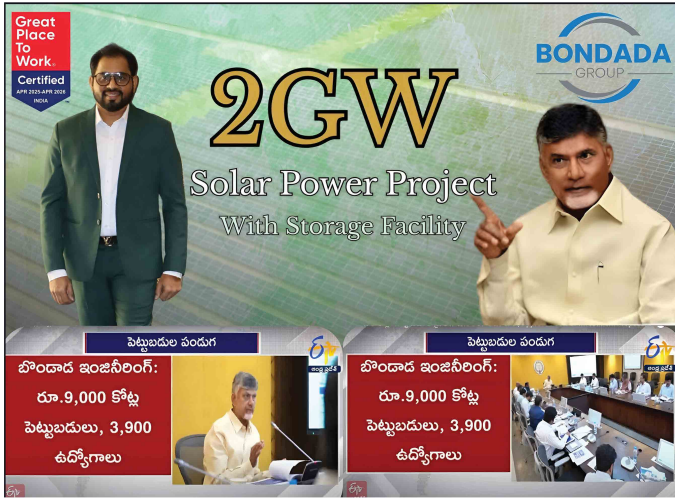

SBI sanctions ₹125 Cr, reinforcing confidence in Bondada's vision and performance

Bondada Group's unwavering focus on operational excellence, robust project execution, and sustainable growth has continued to win the trust of Bharat's leading financial institutions. A testament to this growing confidence is the recent sanction of ₹125 crore by the State Bank of India (SBI)—one of the nation's most respected banking institutions.

This milestone reflects not only our strong financial discipline and consistent performance but also the credibility we've built over the years as a dependable infrastructure player. The SBI sanction stands as a powerful endorsement of Bondada Group's financial health, governance standards, and future readiness.

Backed by such institutional trust, Bondada Group is further empowered to scale its clean energy and telecom infrastructure projects while maintaining its commitment to quality, innovation, and nation-building.

This isn't just funding—it's faith. And we're proud to honour it, project by project.

Bondada Group Leads with Largest Investment at SIPB's 6th Meeting

Bondada Engineering Limited is proud to be the top contributor in investment and employment among all projects approved at the 6th Andhra Pradesh SIPB meeting held in May 2025.

- Approved Project: 2 GW Solar Power
- Location: Ananthapur & Sri Sathya Sai Districts
- Investment Value: ₹9,000 Crore
- Employment Generation: 3,900

Out of the ₹33,720 crore worth of investment proposals and 34,621 committed employment opportunities across multiple key sectors—including industries, textiles, tourism, IT, and energy—Bondada Engineering Limited ranked first overall, making the largest investment and committing the highest number of jobs.

We thank the Government of Andhra Pradesh and SIPB for their trust. Bondada Group remains dedicated to building a sustainable future.

This project reaffirms Bondada Group's leadership in sustainable infrastructure.

“When vision meets vision, progress becomes inevitable.”

Bondada Group CMD Visits Adani Group's Khavda Plant & Corporate Headquarters – A Meeting of Minds and Missions

Bondada Group is proud to share that our CMD, Shri Dr. Bondada Raghavendra Rao Garu, along with Director Mr. Bondada Jatin Chandra, visited Adani Group's Khavda Renewable Energy Park and Corporate HQ at Shantigram, Ahmedabad.

During the visit, Dr. Rao held impactful discussions with Mr. Jeet Adani (Executive Director), Mr. Vineet Jain (MD, Adani Renewable Energy), and Mr. K.S. Rao (CEO, Adani Infra) on collaboration in large-scale solar EPC, renewable infrastructure, and nation building initiatives.

The visit to Khavda—set to become the world's largest renewable energy park reflects Bharat's clean energy ambitions, closely aligned with Bondada Group's Vision 2030.

This engagement reaffirmed our shared commitment to sustainability, innovation, and building a greener, more connected Bharat.
